

## Mountain Side Hotel Whistler by Executive

The Mountain Side Hotel, formerly a part of the Mountainside Lodge, is a famous ski lodge in the heart of Whistler Village. Operated by Executive Hotels and Resorts, this hotel is perfect for pleasure-seekers and boasts Whistler's best location. Our Mountain Side lodge style rooms are set back from the village with a stunning outdoor pool and Jacuzzi deck offering outstanding views of both Blackcomb and Whistler mountains. Come experience the secret behind this 34 suite private boutique hotel in the heart of Whistler Village.

Ski-in and ski-out access to both Whistler and Blackcomb mountains, this Executive boutique hotel is located just a minute from the ski lifts. Our guests can enjoy our heated outdoor swimming pool and hot tub which is open year round.

Whistler Mountain Side lodge style rooms – as majestic as the mountains but much cozier. Each one of our spacious Mountain Side lodge style guest rooms and suites is uniquely decorated. With a natural mix of grace and spirit, our Mountain Side lodge style rooms offer a seamless blend of service and charm. From private in-room saunas to its outdoor all year heated pool and Jacuzzi indulge your sense of adventure in a place like no other. Enjoy fine dining at Umberto's Trattoria, long recognized by locals as Whistler's premier Italian cuisine restaurant and wine bar.

Whistler is the number one ranked ski resort in North America and is home of the 2010 Winter Olympics with five championship golf courses. Swimming, canoeing, hiking and windsurfing are also popular Whistler activities, and on your doorstep when you stay at the Mountain Side Hotel at Whistler Village.
